### NOTE:

- » A private or a public limited company, limited liability partnership or a partnership firm (collectively referred to as “Corporate Member”) is eligible to become a member of the society.
- » The institutional member seeking to be a member, shall along with its application, submit its constituent document such as memorandum of association, articles of association, trust deed, rules and regulations.
- » The society at its discretion can admit any individual as a member of the society. Students below the age of 22 years are not eligible for life membership.
- » The Student Chapter Membership [SM2] should consist of minimum of 40 student members. Detailed guidelines can be downloaded from our website or alternatively you can write us a email.
- » Members are eligible for benefits such as reduction in membership fee for events, conferences and workshops sponsored and/or conducted by ASI.
